Ngauruhoe

This is a striking twin gable home with its well thought out design. The two generous open plan living spaces make this home ideal for easy entertaining or relaxing in the separate lounge, while the al fresco provides a sense of space and versatility. Some extra features include the kids' activity/retreat area, (separate from the dual living), the study and the scullery. This home conveys real creative style and practical utility.

Floor Area: 268m²
